Welcome to the 2025–26 Academic Year!

As members of the Governors State University community, it is important that we all know what to expect of one another and how we make our shared values come to life every day. Our mission is not a static statement – it is what we live by. Any well-functioning community must have a set of values; this Handbook is meant to serve as a guide not only for our students, but also for faculty, staff, and administrators to ensure that all members of our community are informed about policies, procedures, rights, and privileges.

Our Student Code of Conduct, along with other university policies, will give you clear guidance on both what you can expect from GovState faculty and staff and what we will expect from you. The Student Handbook also contains helpful information, guides, and directories that will make navigation of campus life easier.

If after reading through this Handbook you have questions, please do not hesitate to contact the Office of the Dean of Students in C1310 or at 708.235.7595 or deanofstudents@govst.edu

We wish you the best this academic year and remember, we are here to help you succeed!

Paul McGuinness, Vice President for Student Affairs & Enrollment Management

OVERVIEW

Welcome from the Dean of Students!

As your Dean of Students, it is my pleasure to welcome you to Governors State University for the 2025-2026 academic year. During your time at GovState, I encourage you to take an active role in your education and our community as a whole. As a member of this community, it is your responsibility to know our policies as they establish a model for civility, care, honesty, and respect on our campus. I ask that you review this Student Handbook and abide by the conduct policies.

The Office of the Dean of Students (ODOS) works with students to advocate and provide access across a wide spectrum of areas. ODOS works closely with university services and community agencies and clears a pathway to success in areas ranging from university policies and procedures to academic performance and personal crises. If you need assistance, I encourage you to contact my office. Here are some of the ways we can help:

- Provide an opportunity for students to share their feedback, questions, or concerns.
- Help students understand and navigate through the university policies and procedures.
- Support students in making decisions related to educational, personal, and other barriers that may impede the completion of their academic goals.
- Connect students with campus and community resources regarding food and housing needs.
- Provide initial notification to university faculty/staff in the event of a major illness/injury.
- Assist with emergencies that impact a student's educational experience.
- Consult with the campus community about addressing student behavior, including misconduct, disruptive behavior, students of concern, or students in distress.

I encourage you to explore new ideas and continue to challenge yourself this academic year. I hope to have an opportunity to talk with you and if you see me on campus, please say hello. I am truly delighted that you have chosen to attend Governors State University.

Warm regards,

Mushtaq Choudhary

About the Student Handbook

The Student Handbook is an official document published to facilitate student access and understanding of university policies and procedures. Language in the handbook may differ slightly from official university policies to provide organization and clarity. Revisions

The Office of the Dean of Students reviews this handbook before the start of each academic year. The university reserves the right to revise the handbook at other times effective upon publication so long as there is appropriate notice. Meningitis Versus Meningococcal Disease: There IS a Difference

Meningitis is an inflammation (swelling) of the protective membranes covering the brain and spinal cord. A bacterial or viral infection of the fluid surrounding the brain and spinal cord usually causes the swelling. However, injuries, cancer, certain drugs, and other types of infections also can cause meningitis. It is important to know the specific cause of meningitis because the treatment differs depending on the cause. For more information please go to: <https://www.cdc.gov/meningitis/index.html>

Meningococcal disease refers to any illness caused by bacteria called Neisseria meningitidis. These illnesses are often severe, can be deadly, and include infections of the lining of the brain and spinal cord (meningitis) and bloodstream. Keeping up to date with recommended vaccines is the best protection against meningococcal disease. For more information, please go to: <https://www.cdc.gov/meningococcal/about/index.html>.

Financing Your Education

TUITION AND FEES

Governors State University (GovState or University) tuition and fees are among the lowest in Illinois. GovState's Board of Trustees approves rates for the next academic year, usually during February of each year. After the rates are approved, they are available on our website. Please visit the Student Accounts page of the GovState website for tuition and fee information: govst.edu/Saab/

Payment of Tuition and Fees

Payment due dates are term specific. Tuition and applicable fees must be paid no later than the date specified for each term. A \$100 late fee will be assessed to all accounts not paid in full by the due date. Information regarding these due dates is available on the Student Accounts page of the GovState website (<https://www.govst.edu/Saab/>) and is also communicated to students via the students' GovState e-mail.

Tuition and fees are assessed for each term at the time of registration. Any modification to class enrollments will result in a recalculation of tuition and fees. Please be aware that tuition and fees are subject to correction if any inadvertent errors are identified or if there is a need to include additional charges that were not initially accounted for. The University reserves the right to make necessary adjustments at any time to ensure all charges are accurate and fair.

Electronic payment plan options for each term are available on the GovState website or the GovState Self-Service portal. Refer to the "Payment Plan" section of this Student Handbook for more information.

Students who fail to pay by the published due dates will be placed on a University Hold list and are at risk of being dropped for nonpayment. This includes those students who receive financial aid, tuition waivers, and work/organization sponsored tuition assistance.

Non-payment of tuition and fees is not an acceptable method to notify GovState of intent to drop classes. If you do not plan to attend GovState, it is your responsibility to drop your classes by the 100% refund deadline. Students who fail to drop their classes by the 100% refund deadline will be responsible to pay for the related tuition and fee charges.

Electronic statements are communicated monthly to students via the students' University e-mail and are available on the GovState Self-Service portal.

Payment Methods

Governors State University offers various types of payment methods, as follows:

- **Online** - via credit card, debit card, and electronic check (checking or savings account).
- **By phone** - via credit card or debit card by phoning the Cashier's Office at 708.534.4055.
- **In person** - at the Cashier's office (C1336) using cash, money order, check, debit card or credit card.

By mail - using money order or check by mailing payment to:

Governors State University
Cashier's Office
1 University Parkway
University Park, IL 60484-0975

The University accepts Visa, MasterCard, Discover, and American Express.

Payments made via credit card and debit card will be assessed a non-refundable service charge of 2.95% (minimum \$3) for domestic issued cards and 4.25% (minimum \$3) for international issued cards. This service charge will be automatically added to your card payment. This service charge offsets the credit card transaction fees charged by the credit card companies. GovState does not control these credit card transaction fees and proceeds from this service fee goes to the credit card companies.

Please visit the following link for more information: <https://www.govst.edu/cashier/>.

Payment Plan

Governors State University offers several payment plan options for each term through the online TouchNet system. A \$40 non-refundable payment plan set-up charge will need to be paid at the time of enrollment in the plan.

TouchNet payment plans include a feature that will automatically deduct the monthly payments from the student's or parent's bank account, debit, or credit card. When a checking or savings account is selected as the desired payment method, it is important to note that it will take up to 14 days once you enter your banking information (bank routing number and account number) to complete the verification process. By enrolling in the plan, payments are scheduled and processed on the due dates without additional action needed on the part

of the student or parent. If a payment declines or does not go through due to insufficient funds, the student's account will be assessed a \$25 late fee for each late installment. Failure to have met prior payment plan obligations may prohibit you from entering into a payment plan with the University for future semesters.

Please visit the Student Accounts page of the GovState website for more information about payment plan options: govst.edu/Saab/

Refund Process

Students who drop from courses on or before the published 100 percent refund deadline are entitled to a full refund of tuition and fees. Refunds of tuition and fees may also be made because of excess of tuition payments, Financial Aid, student's death, disability, extreme hardship, or institutional error. Refunds may be made via check or direct deposit. Federal regulations allow for the refund process to take up to 14 days to complete. Please visit the Student Accounts page of the GovState website for more information about the student refunds process: govst.edu/Saab/

Unsatisfied Financial Obligations

If a student has a past due balance, a financial hold prohibiting future registration may be placed on their account. Unsatisfied financial obligations to the University are pursued through placement with a collection agency, placement in the Illinois Comptroller's Offset System, and/or litigation. Collection costs incurred by the University in collecting monies due will be assessed to the student/debtor.

Periodic notifications are sent to the student if the balance remains unpaid. This notification explains the actions to be taken and the timeframe in which this action needs to be done. The University does not report past due debts to any credit reporting agencies, except as provided by federal law.

Please visit the Student Accounts page of the GovState website for more information about past due accounts and financial holds: govst.edu/Saab/

FINANCIAL AID

The primary purpose of the financial aid program at Governors State University is to assist students in obtaining the financial resources necessary to cover their educational costs. Located in D1423, the Office of Financial Aid and Scholarships is available year-round and committed to helping you navigate the financial aid process. Please refer to the Office of Financial Aid and Scholarships website at govst.edu/finaid for the most current and up-to-date information.

Eligibility Criteria and Application Procedures

The Office of Financial Aid and Scholarships encourages all students to apply early for financial assistance. Financial aid programs are designed to supplement student or family resources by bridging the gap between costs and the student's or family's measured ability to pay. The analysis of a student's or family's financial strength includes consideration of current income, assets, family size, and any other factors that seriously alter a student's or family's financial situation.

The Office of Financial Aid and Scholarships processes aid on a year-round basis. Students are encouraged to apply for financial assistance annually, as early as October 1st to maximize their financial aid eligibility. Students should refer to the Office of Financial Aid and Scholarships website at govst.edu/finaid for detailed information on available types of aid and application forms/deadlines.

Requirements for federal and state sponsored financial aid vary, but generally, a student must:

1. be a U.S. citizen or a permanent resident;
2. be admitted to an eligible degree or certificate program; and
3. be enrolled at least on a half-time basis (six hours) for most forms of aid.

To determine eligibility for all forms of need-based aid, students must complete a Free Application for Federal Student Aid (FAFSA). The FAFSA is available at www.studentaid.gov. Additional information and supporting documentation may be requested if the application is selected for verification. The financial aid application is not complete until all required forms and supporting documents are on file and verified by the Office of Financial Aid and Scholarships.

Please note: If you are an Illinois resident but are ineligible for federal aid as an undocumented student, you can still apply for state assistance under the Retention of Illinois Students & Equity (RISE) Act. Information about the Alternative Application for Illinois Financial Aid, including the application itself, can be found on the Illinois Student Assistance Commission (ISAC) webpage at www.isac.org/Alternative-Application.

Financial Aid Disbursement

The first financial aid posting for each semester is after the census date for students who are enrolled at least half-time, have accepted their financial aid, and are maintaining satisfactory academic progress. Direct deposits and refund checks are completed within two weeks after financial aid is posted to student accounts.

Programs Available

The Office of Financial Aid and Scholarships administers and coordinates aid funds from federal, state, university, and private sources. The various aid programs available may be divided into four broad categories: grants, scholarships, loans, and student employment. Grants and scholarships are referred to as "gift aid" since they are not repaid. Loans must be repaid, with payments usually beginning six months after leaving school or when a student drops below half-time enrollment status. Student employment is often available during the academic year. In addition, tuition waivers covering in-state tuition for both undergraduate and graduate students are available.

Grants

The federal government provides grants for students attending college or career school. Most types of grants, unlike loans, are sources of financial aid that generally do not have to be repaid. Grants can come from the federal government, your state government, your school, or a private or nonprofit organization. Do your research, apply for any grants you might be eligible for, and be sure to meet application deadlines! For specific grant information, please refer to the Office of Financial Aid and Scholarships website at www.govst.edu/finaid.

Scholarships

A scholarship is financial support awarded to a student, typically based on academic achievement or other criteria that may include financial need, for the purpose of schooling. Scholarships are typically awarded using a variety of factors, including but not limited to academic achievement, departmental and community involvement, employment experience, areas of study, and financial need.

There are various types of scholarships, but they are primarily broken down into two categories: institutional scholarships and outside scholarships. Institutional scholarships are exclusively available to students attending Governors State University. The donor or department funding the scholarship sets the criteria for recipient selection, and the grantor specifically defines how the money is to be applied. The funds are used to defray the costs of tuition, books, room, board, and other expenses directly tied to a student's educational cost through the university. Outside scholarships are available to all students enrolled at institutions across the country. The agency/company/etc. funding the scholarship sets the criteria for recipient selection, and the grantor specifically defines how the money is to be applied.

Applying for scholarships, **both** institutional and outside, has been made easy at Governors State University with the help of Scholarship Universe. Scholarship Universe is an intuitive software that allows Governors State University students to easily apply online to multiple scholarship opportunities through their own personalized portal. Students are prompted to answer questions which will help to match them to scholarship opportunities that best fit their student profile. Students will also be alerted whenever they are matched to new scholarship opportunities and receive automated reminders about outstanding tasks and next steps. To find out more about scholarships and Scholarship Universe, students are encouraged to visit the scholarship webpage at govst.edu/Scholarships.

Federal Direct Loans

Governors State University participates in the Federal Direct Loan Program through the U.S. Department of Education. If this is your first Federal Direct Subsidized or Unsubsidized Loan at Governors State University, or you have an expired promissory note, you are required to sign an electronic Master Promissory Note (MPN) and complete Entrance Counseling online at www.studentaid.gov. This MPN and Entrance Counseling will be in effect throughout your time at Governors State University.

Student loans are not prorated based on enrollment. However, you must be enrolled at least half-time in eligible coursework to receive loans. “Eligible” coursework includes courses officially recognized in your program curriculum as outlined by the University Catalog and corresponding Degree Audit. Failure to stay enrolled at least half-time may cause ineligibility for student loans.

Federal Direct Subsidized Loan: This loan is only available to undergraduate students and the Department of Education pays the interest on the loan while you are enrolled in school. Loan repayment begins six months after you graduate or drop below half-time enrollment status. More information about Federal Direct Subsidized Loans can be found on the [Federal Student Aid website](#).

Federal Direct Unsubsidized Loan: The interest on this non-need-based loan accrues from the time the loan is disbursed until paid in full. You may pay the interest while you are in school, or it will be added to the principal balance of the loan when you begin repayment. Loan repayment begins six months after you graduate or drop below half-time enrollment status. More information about Federal Direct Unsubsidized Loans can be found on the [Federal Student Aid website](#).

Federal Direct PLUS Loans

This loan is not automatically awarded to students. This federal program allows graduate students or parents of dependent students with no adverse credit history (a credit check is required) to apply for up to their Cost of Attendance each year, less any financial aid. Repayment begins 60 days after the loan is disbursed, however, repayment can be deferred. Graduate students or parents of dependent students seeking a Federal Direct PLUS Loan must complete a Federal Direct PLUS Loan application and Master Promissory Note online at <https://studentaid.gov> and complete a Governors State University Grad/Parent PLUS Loan Application Form through the Office of Financial Aid and Scholarships

Alternative Loans

Alternative loans are non-federal educational loans that may be used as a source of financial aid in addition to scholarships, state, and federal assistance. These loans are typically offered by private lenders (educational financing institutions, guaranty agencies, banks) to assist with educational and living expenses not covered by other financial aid. Alternative loans are subject to credit analysis and may require a co-signer. Before you apply for an alternative loan, Governors State University recommends researching all Title IV federal forms of aid, including PLUS loans, as they may be more favorable to borrow.

Federal Work-Study

Subsidized by the federal government, Federal Work Study (FWS) is a need-based financial aid award that allows you to work and earn money. You may apply for federal work study jobs once you have completed your FAFSA and have been offered a “Federal Work Study Award.”

The FWS award amount is the maximum amount you may earn through this type of employment during the corresponding award period. You must also maintain satisfactory academic progress (SAP) and maintain enrollment in 6 or more credit hours of eligible coursework.

Many FWS positions are available in departments throughout campus. The type of work will vary by department. All on-campus student employment jobs are posted on the [Jobs for Jaguars](#) site. For more information on the application process, please contact [Career Services](#) at 708.235.3974 or send an email to career@govst.edu.

You must remain eligible for financial aid to use your financial aid at the bookstore. Before you make any registration changes, be sure to check with The Office of Financial Aid and Scholarships first.

FA Link will be available before the first financial aid disbursement of each semester. For more information on FA Link and semester deadlines, please visit govst.edu/Admissions/Financial_Aid/Buy_Books_with_Aid/.

Satisfactory Academic Progress (SAP)

Regulations governing the federal student aid programs require that institutions develop standards of satisfactory academic progress (SAP) for student aid recipients. These guidelines require that we evaluate your progress by all three of the following: the length of time it takes to complete your program of study, the rate of completion, and your cumulative grade point average (GPA). Your academic record is reviewed at the end of each semester, including summer, to ensure you are meeting the SAP requirements. For full SAP information, please refer to the Office of Financial Aid and Scholarships website at govst.edu/finaid.

The Access to Student Educational Records policy provides the confidentiality of student education records as

established under FERPA, establishes the right of students to inspect and review their education records, and provides guidelines for the correction of inaccurate or misleading data.

The University must limit access to student information to those with a legitimate educational interest as defined by law and university policy, and to ensure that data is stored securely to prevent unauthorized access. Specific details for how the University complies with FERPA can be found in the Access to Student Educational Records Policy (Policy 12) at www.govst.edu/policies. Questions regarding FERPA should be directed to the Registrar's Office.

Establishing and maintaining a safe and secure environment for our staff, students, and visitors is of primary importance to Governors State University. The Clery Act (Student Right to Know and Campus Security Act of 1990) is a federal mandate that requires that all current students and employees receive information on policies and procedures involving campus security, the reporting of criminal activity or other emergencies, and the enforcement authority of security personnel.

As part of our commitment to campus safety and in compliance with the Clery Act, a hardcopy of the Campus Security Report is available in the Department of Public Safety (DPS), located in C1375, and is also published on the Campus Right to Know website: govst.edu/Campus_Life/Campus_Safety/Campus_Right_to_Know/.

Emergency Management and Notifications

Governors State University notifies the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff occurring on any campus. GovState Alerts sends notifications regarding emergencies to students via cellular and landline phones, email, social media, and more. Students should update their contact information in their myGSU portal to ensure receipt of emergency notifications.

Emergency information and planning resources are available here govst.edu/emergency.

MISSING RESIDENTIAL STUDENT NOTIFICATION

Governors State University strives to offer the safest learning environment for all members of the campus community. The *Higher Education Opportunity Act of 2008* requires all institutions of higher education to establish a missing student notification policy for students that reside in on-campus housing. The Act requires such institutions to ensure that on-campus residential students have a process for which they can register confidential contact person information as well as procedures for implementation of this policy. For more detailed information, please refer to the University Housing Handbook (govst.edu/housinghandbook) or visit govst.edu/housing.

Concealed Carry

The Concealed Carry policy was developed in response to the Illinois Firearms Concealed Carry Act, 43 ILCS 66, which prohibits anyone from knowingly bringing a firearm onto property owned or controlled by an institution of higher education. The Act also authorizes GovState to restrict persons from carrying concealed firearms onto campus property, including university vehicles, to regulate student, employee, or visitor misconduct or violations of regulations, and to establish regulations for the storage and maintenance of firearms on university property.

The policy expands the restriction of firearms and includes weapons that shoot a projectile, are explosive, or are designed or traditionally used to inflict harm, and includes threatening, intimidating, or bullying actions in the restricted activities. It also places restrictions on the movement and storage of firearms or weapons in privately owned vehicles on university property. For more information, please see the Concealed Carry policy (govst.edu/campus-safety/) or contact the Department of Public Safety in C1375 or at 708.534.4900.

Mental Health Contact

Under the Student Optional Disclosure of Private Mental Health Act (110 ILCS 74/), students may designate an individual over the age of 18 to receive disclosures of certain private mental health information. Disclosure of a student's mental health information to a designated person may be made if a physician, clinical psychologist, or qualified examiner (i.e., clinical social worker) employed by the university determines that a student poses a clear danger to themselves or others. If you wish to designate a person that would receive certain private mental health information, please complete the

Student Optional Disclosure of Mental Health Contact Information Form on the myGSU portal. For more information, visit govst.edu/counseling-and-wellness/.

Alcohol and Other Drugs

The health and well-being of GovState students, faculty, and staff are critical components of the overall health of our university community. Consequently, Governors State University seeks to maintain a campus environment that is free from the illegal use of alcohol and other drugs. Consistent with its mission as a public institution of higher education, the university is committed to educating the students, faculty, and staff on the dangers of alcohol and drug abuse, and to establishing standards of conduct that maintain a campus environment in which such abuse is prohibited. These standards are following the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Campuses Act of 1989.

In compliance with the DFSCA, the Counseling and Wellness Center authors a biennial report of institutional policies and practices that includes the effectiveness and the consistency of the enforcement of sanctions. The

biennial report is published each Fall in even-numbered years and focuses on the previous two academic years (i.e., 2018-19 and 2019-20).

GovState students should comply with local, state, and federal laws related to the use of drugs, alcohol, and crimes of violence. The Student Code of Conduct details expectations for students' behavior regarding alcohol and drugs as well as possible sanctions for violations of these policies, which include disciplinary sanctions and educational programs.

RECREATIONAL CANNABIS

Recreational cannabis, while legal in Illinois, is not legal under federal law. Possession, use, manufacture, distribution, or sale of any controlled substance, including cannabis, or drug paraphernalia is prohibited on university property and at any university-sponsored activity. There are no medical exemptions regarding cannabis use on campus.

HEALTH RISKS

The abuse or illegal use of alcohol and the illegal use of controlled substances can seriously injure the health of employees and students, adversely impair the performance of their duties and their academic achievements, and endanger the safety and well-being of fellow employees, students, and others.

Substance abuse may involve not only controlled substances and illegal drugs but also alcohol and other substances that pose a health risk. When drugs are combined, their negative effects on the mind and body are often multiplied beyond the effects of the same drugs taken singly, which can be deadly.

SUPPORT SERVICES

The Counseling & Wellness Center offers counseling and substance use assessments to help students evaluate their alcohol and substance use in a confidential, non-judgmental setting. These assessments give students a structured opportunity to understand their own risk levels, consider potential changes, and reduce the likelihood of future problems. If needed, students can be referred to community treatment programs for a more comprehensive assessment and treatment. Additionally, students have access to online screening tools for alcohol and substance use, behavioral health, and mental well-being, allowing them to anonymously evaluate these areas and receive immediate feedback for informed decision-making. To access the Mindwise and eCheckup-to-Go screening tools, visit govst.edu/livingwell@GovState/.

Certain incidents involving alcohol, drugs, or violence may be reported to reported to public safety.

Medical Amnesty (Good Samaritan)

The health and safety of each student are important to GovState. The Office of the Dean of Students recognizes that potential disciplinary action may deter students from seeking medical assistance for another student or themselves. As a university, we support and encourage all students to reach out for assistance in the case of a medical emergency or when they see others in need.

Under the Medical Amnesty practice, students are encouraged to be active bystanders and respond to potentially risky circumstances (such as alcohol or drug intoxication) without consequence from the university.

A student who makes an effort to obtain medical assistance will not face formal disciplinary action for possession or use of alcohol (under 21) or other drugs so long as there are no other violations of the Student Code of Conduct. A student may still be required to meet with the Office of the Dean of Students to discuss the incident.

Behavior that violates local, state, and/or federal laws are still subject to criminal charges.

For medical assistance, contact the Department of Public Safety (DPS) at 708.534.4900 or dial 911. All students who reach out for assistance must self-identify so that the university can recognize your amnesty.

Religious Observances

Governors State University will not discriminate against students for observing religious holidays and will reasonably accommodate the religious observances of individual students regarding admission, class attendance, as well as the

scheduling of examinations and academic work requirements. It is the responsibility of the student to notify (in writing) the GovState administrator/faculty member involved at least three class periods in advance of the date of the religious observance. Accommodations considered unreasonable are those which would necessitate the modification of academic standards or create an undue hardship on the University or its staff. If students feel they have been discriminated against, a student may file a grievance following the procedures outline in the Student Grievance Policy (Policy 5). *Reasonable Accommodation for Students' Religious Observances (Policy 38)* is available at govst.edu/policies.

Student Absence Notification to Faculty

A student may request faculty notification for a documented absence of 3 or more days due to:

- Personal prolonged illness or injury;
- Life-threatening or serious illness or injury of an immediate family member;
- Death of an immediate family member;
- Emergency work as defined in the Volunteer Emergency Worker Job Protection Act*;
- Compliance with a valid subpoena, jury duty, or other legal matters such as citizenship or naturalization processes;
- Significant and compelling circumstances beyond a student's control such as an act of nature that destroys a student's primary residence.

Absence notification is not provided in advance or during an absence and requests must be made within 10 business days after a student has returned to classes.

Absence notification is intended to provide faculty with verified information that they may use to determine whether or not to excuse the absence and/or permit late or make-up work. Absence notification neither guarantees that the absence will be excused nor ensures that late or make-up work will be permitted. This authority rests solely with individual instructors.

To make a request please go to: govst.edu/studentabsence

Emergency / Medical Leave of Absence

A student may request an emergency or medical leave when extraordinary circumstances, such as a serious illness, injury, or hospitalization prevent the student from continuing classes. The severity or duration of the problem must be such that it would not be reasonable to expect the student to be able to make up the missed work. The Emergency / Medical Leave process applies to both physical and mental health emergencies as well as military deployment. Students requesting leave for military deployment are required to contact Veterans Services.

An emergency or medical leave is "all or nothing" and it is not possible to receive leave from individual classes while remaining enrolled in other classes. A student may withdraw from courses before the published withdrawal date. After the published withdrawal date, students may submit a late withdrawal request to the govst.edu/registrar Registrar for withdrawal from single or multiple classes

Options for students with medical concerns, including the emergency / medical leave process, are online at govst.edu/emergencyleave.

Military Deployment Leave

A student may request a leave when being called to active service or military deployment and will prevent the student from continuing classes.

Students will complete the Military Deployment Leave Form and submit their deployment letter. Upon your return, you need to meet with the Veterans Resource Center to ensure all paperwork is updated with that office AT LEAST ONE WEEK prior to the first day of classes for the semester you are requesting to return.

For more information go to www.govst.edu/veterans or contact the Veteran's Resource Center at veterans@govst.edu or 708.235.7597.

Title 38 U.S.C. §3691A(a)(2)(B) provides that an educational institution may not take the following actions when a member receives orders for a period of service:

- Assigning the member a failing grade,
- Reducing the member's grade point average,
- Characterizing any member's absence(s) as unexcused, or
- Assessing a financial penalty on a member because of a withdraw or leave of absence due to receiving orders for service.

Additionally, 38 U.S.C. §3691A(b) provides that an educational institution must take the following actions when a member withdraws due to receiving orders for a period of service:

- Refunding all tuition and fees paid for the academic term to the appropriate party. Please note that VA's interpretation of academic term is the term as reported to your State Approving Agency and VA.
- Refunding payments made by the student (or behalf of the student) to the institution for housing. Please note that in this instance the reference to housing is not the monthly housing allowance provided by the Post 9/11 GI Bill but rather housing costs such as dorm fees.

Finally, 38 U.S.C. §3691A(c) provides that an educational institution must take the following actions when a member takes a leave of absence from a course(s) due to receiving orders for a period of service:

- Assigning a grade of incomplete (or equivalent) for the course(s) during the term, and
- Providing the opportunity to complete the term after the period of service.

Additionally, the Illinois Veterans and Service Members (330 ILCS 60/) Service Member's Tenure Act states:

- A service member enrolled in an institution of higher learning who is unable, because of his or her military service, to attend classes on a particular day or days has the right to be excused and to reschedule a course examination administered on such day or days. The faculty and administrative officials shall make available to the service member an equivalent opportunity to make up any examination he or she has missed because of his or her military service.

Volunteer Emergency Worker

Consistent with the Volunteer Emergency Worker Higher Education Protection Act (110 ILCS 122), GovState will provide reasonable accommodations for any student who is absent from class due to the performance of their duties as a volunteer emergency worker. The Volunteer Emergency Worker Job Protection Act defines a volunteer emergency worker as a volunteer firefighter, emergency medical technician, ambulance driver or attendant, or other first responders.

If an absence is the result of a student's documented performance of emergency volunteer work, an instructor must accommodate the absence within reason. A student who believes they were unreasonably denied this accommodation may seek redress through the Student Grievance Policy (Policy 5). *The Volunteer Emergency Worker Policy (Policy 67)* is available at govst.edu/policies.

Late Course Withdrawal

Students may withdraw from courses using their myGSU portal through the published withdrawal date per the Withdrawal Policy (6). If a student wishes to withdraw after the published date, they must submit a late withdrawal request to the Registrar (govst.edu/withdrawing) by the last day of the current term/semester. Students who are denied a late withdrawal may submit a written appeal to the Office of the Dean of Students as outlined below.

1. **Filing an Appeal:** To appeal, the student must submit a one-page written statement explaining why the request should have been approved and include any additional supporting documentation within five business days to the Office of the Dean of Students (deanofstudents@govst.edu).
2. **Review of Appeal:** The Office of the Dean of Students will review the appeal information to make a decision. The designated individual responsible for reviewing the appeal will determine if a meeting with the student to discuss the appeal is necessary or if there is sufficient information provided within the written appeal to

make a decision.

3. **Notice of Decision:** Students will be notified of the decision *within five business days* of submitting an appeal. If the appeal is approved, the associated departments may need 10 business days to make changes to the student's account. The decision of the Office of the Dean of Students will be final and binding.

Student Evaluation of Instruction (SEI)

Students have the right to evaluate the effectiveness of the instruction they received using a university-wide Student Evaluation of Instruction (SEI) process after each term. Information about the SEI process is online at govst.edu/sei/

Complaints & Grievances

Complaint and grievance procedures have been established to foster open communication and ensure that Governors State University uses student feedback to continuously improve.

COMPLAINT VS. GRIEVANCE

A **complaint** is a general concern about an action, practice, or decision within the control or responsibility of the university. A student may submit a complaint to provide general feedback to improve the overall student experience. Typically, a student submitting a complaint does so for the university's continuous improvement and is not seeking a personal remedy or resolution. Complaints may be submitted anonymously.

A **grievance** is a matter to be formally investigated. A student may file a grievance if they believe there has been a university error that cannot be resolved informally or allegations of discrimination or harassment. Generally, a grievance will either be academic or non-academic:

- **Academic Grievances** include the issuance of final course grades, academic advising, and other academic-related matters. Academic grievances are managed by the respective College, Library, or Undergraduate Academic Advising Center.
- **Non-Academic Grievances** include, but are not limited to issues regarding registration, financial aid, and other non-academic related matters. Non-academic grievances are managed by the Office of the Dean of Students, except for the following:
 - Discrimination based on race, color, national origin, religion, gender, ancestry, age, sexual orientation, marital status, disability, citizenship, unfavorable discharge from military service, or veteran status, may be filed under the Anti-Discrimination and Harassment Policy (Policy 52).
 - Sexual Harassment under the Title IX & Anti-Sex Discrimination, Harassment, and Retaliation Policy (Policy 78).
 - Decisions related to student conduct, emergency / medical leaves, late withdrawals, satisfactory academic progress, or any other process that grants a student the right to appeal must be filed following the appeal procedures outlined in the appropriate process.

Academic and non-academic grievance procedures are detailed below. "Days" refers to university business days (Monday – Friday, 8:30 a.m. – 5 p.m.) excluding holidays or other university closures unless otherwise stated (i.e., calendar days). In calculating timelines, the day a document is filed is "day zero." The following day is "day one." For more information, refer to the Student Grievance Policy (Policy 5, govst.edu/policies) and Dean of Students' website govst.edu/studentcomplaints.

SECTION THREE: STUDENT CODE OF CONDUCT

Community Standards

The Community Standards program, coordinated by the Office of the Dean of Students, strives to promote a safe and secure environment while upholding the rights of all community members. The program promotes student learning and development as well as a campus culture of respect and responsibility. We encourage a community of acceptance and accountability by creating processes to resolve conflicts consistent with university policy.

Community Standards is responsible for administering the Student Code of Conduct (Policy 4), which is the primary policy used to outline the university's expectations for student behavior. Sections Four and Five detail the administrative procedures used to address student conduct and/or the conduct of registered student organizations.

The Office of the Dean of Students' Community Standards program has primary responsibility for resolving matters of non-academic student misconduct. Faculty and academic colleges have primary authority for resolving academic misconduct.

GOALS OF THE COMMUNITY STANDARDS PROCESS

- Foster a safe and secure environment.
- Support the university's educational mission with out-of-class educational opportunities that lead towards more mindful decision-making and reinforces concepts of personal accountability and healthy community membership.
- Maintain an educational system that provides students with the opportunity to learn about themselves, others, and about being a student in good standing at Governors State University.

General Information

VIOLATIONS OF THE LAW

When students violate a university policy, they are subject to disciplinary action by the university whether or not the conduct violates the law. When a student is subject to allegations that may violate federal, state, and/or local laws, the university may simultaneously and independently investigate and address potential conduct code violations. The university conduct process shall proceed notwithstanding any criminal or civil complaint that may arise from the same incident.

OTHER DISCIPLINARY PROCEDURES

The Office of the Dean of Students may work with other appropriate offices to address any conflicts associated with concurrent processes to address the same behavior. Students who are athletes, leaders, employees, or hold other relationships with the University, and whose behaviors violate the Student Code of Conduct, may also fall within the jurisdiction of another University policy or process associated with that relationship. Likewise, employees who enroll as students may be held accountable for behavior that falls under the Student Code of Conduct in addition to any action they may be subject to as an employee.

SEXUAL MISCONDUCT AND TITLE IX

Allegations of sexual misconduct will be referred to the Title IX Coordinator for an initial assessment. Formal complaints alleging conduct that meets the definition of sexual harassment under Title IX will follow the grievance procedures outlined in Policy 78 and the corresponding procedure manual. All other allegations of discrimination, harassment, and/or retaliation based on an individual's actual or perceived sex, gender, gender identity, gender expression, and/or sexual orientation will be addressed through the Student Code of Conduct described in this handbook.

STUDENT STATUS AND REGISTRATION HOLDS

A hold is an administrative notation on a student's account that prevents the student from registering for classes, dropping or adding courses, and/or obtaining transcripts. A hold may be placed on a student's account when a student has failed to complete a sanction by the deadline, failed to attend a required meeting with the Office of the Dean of Students, or was not currently enrolled when the alleged violation was reported.

A student charged with violating policies may not avoid the conduct process by withdrawing from courses and/or the university. Student conduct proceedings may continue as described in this handbook without the student's participation or a hold may be placed on the student's account.

PRIOR CONDUCT OR CRIMINAL HISTORY

The University requires students to disclose criminal or disciplinary history on their application for admission and application for University Housing. The university does not use criminal or disciplinary history in admissions decisions but may restrict students from living in on-campus housing. Submitting false information on an application for admission or on-campus housing may result in cancellation of an admissions decision or housing assignment, and university disciplinary action.

GUEST BEHAVIOR

Students and their guests are expected to follow the rules and regulations defined in the Student Code of Conduct and University Housing Handbook. Students may be held responsible for the actions of their guests that violate the Student Code of Conduct, including restitution (payment) for property damage.

DEFINITIONS

University Premises are buildings or grounds owned, leased, operated, controlled, or supervised by the university.

University-Sponsored Activities are all university-sponsored educational programs and services; extracurricular programs, events, or functions (including religious, service, leadership, social, recreational, and athletic) administered or coordinated through the university or one of its schools, departments, or approved organizations; as to each whether occurring on or off university premises.

University Community includes all persons associated with the university as students, employees, agents, trustees, volunteers, contractors (including employees or agents of contractors), or members of the public lawfully in attendance at a university activity or present on university premises.

Student is a person currently enrolled in a university course, program, or activity, including without limitation, all persons taking courses at the university, both full-time and part-time, pursuing undergraduate or graduate studies in any university school/college or program. For individuals who become subject to the conduct process while enrolled, their status shall continue until all proceedings have concluded. If an active or continuing student is not registered for classes at the time of the incident, a hold may be placed on the student's account to prevent course registration until the case is resolved.

Respondent / Responding Student is the individual who may have violated the university's Student Code of Conduct.

Complainant / Reporter is the individual who has reported or brought forth the alleged violation(s).

Student Organization is a group of persons who have complied with university requirements for recognition as established by the Center for Student Engagement and Intercultural Programs.

POLICY

AUTHORITY & JURISDICTION

The Student Code of Conduct is applicable to academic and non-academic misconduct both on- and off-campus, including university premises and university-sponsored activities, and through the use of any electronic media. Online postings such as blogs, web postings, chats, and social networking sites are in the public sphere and are not private. These postings can subject a student to allegations of misconduct if evidence of policy violations is posted online. All students and registered student organizations are expected to follow all relevant policies and procedures listed within the university policy directory and their respective program of study.

ACADEMIC MISCONDUCT

Violations of academic honesty include, but are not limited to cheating, plagiarism, or knowingly assisting other students to engage in such conduct. Additional details are found in Academic Honesty (24) and Fair Use of Copyrighted Works for Education and Research (62) policies. Individual instructors, department/division chairs, and/or college deans may request that the Office of the Dean of Students retain copies of academic misconduct cases for record-keeping purposes only.

SECTION FOUR: STUDENT CONDUCT PROCEDURES

Reporting Student Misconduct

The Office of the Dean of Students encourages students and any other member of the university community to report violations of the Student Code of Conduct by filing a formal report. A report is the written record of the information brought forth regarding the alleged violation(s) of the Student Code of Conduct.

RESPONSIBILITY TO REPORT VIOLATIONS

Although other policies and procedures may exist to address student misconduct, the following matters must be referred to the Office of the Dean of Students for consideration of formal Student Conduct proceedings (either instead of or in addition to other applicable policies or procedures):

1. Behavior that poses an imminent risk to the safety of the student or any members of the university community;
2. Serious infractions of the Student Code of Conduct including, but not limited to: the destruction of property; possession of weapons; bomb threats; use, sale, or possession of controlled substances; or violations of local, state, or federal laws;
3. All incidents of alleged sexual misconduct, which include sexual assault, domestic violence, stalking, and dating violence.

SUBMITTING A REPORT

Report alleged misconduct as soon as possible after the incident occurred. A report should describe what happened, the alleged violation(s) of the Student Code of Conduct, and identify the individuals involved in or witness to the incident. Additional materials that support the alleged misconduct may be included (e.g., photos, written correspondence, copies of emails and/or text messages). If the report does not contain adequate documentation, the Office of the Dean of students may contact you requesting additional information or clarification regarding the incident.

Type of Concern / Issue	Purpose	Web Form	Recipient
Non-academic Misconduct	Report potential violations of the Student Code of Conduct	govst.edu/conductIR	Office of the Dean of Students
Title IX / Sexual Misconduct*	Report sexual assault, harassment, dating/domestic violence, and stalking.	govst.edu/titleixreport	Title IX Coordinator

In some instances, anonymous reporting is available but may limit the university's ability to take meaningful action. The Office of the Dean of Students reserves the right to initiate a case without a formal complaint and to investigate anonymous report.

False Reports

The University considers the intentional filing of a false report as a serious matter. It is a violation of the Student Code of Conduct to make an intentionally false report.

REVIEWING REPORTS

The Office of the Dean of Students reviews reports Monday – Friday between 8:30 – 5 p.m. when the university is open. A report may be processed in one of the following manners:

- A. **Case Not Referred:** If there does not appear to be credible or sufficient information to suggest that a violation occurred, the report will not move forward through the formal Student Conduct process. The report and any information gathered will be kept to document that the situation was reviewed.

- B. Informal Response:** If the behavior described is concerning, but does not appear to be a violation or falls outside the jurisdiction of the Student Code of Conduct, there may still be an institutional response without the initiation of the formal Student Conduct process. For example, the student may be asked to meet with a staff member to discuss the incident or participate in a mediated conversation.
- C. Referral to Academic Colleges:** Reports alleging a violation related to academic honesty that are submitted by someone other than the instructor of record will be referred to the academic college.
- D. Community Standards Review:** Reports alleging a violation of non-academic conduct policies will be reviewed by Community Standards and referred for a conduct hearing.
- E. Referral to University Department:** Community Standards may determine that the case should be handled—instead of or in addition to Community Standards—by another office (e.g. University Housing, Center for Student Engagement and Intercultural Programs).
- F. Referral to Title IX Coordinator for Investigation:** If the conduct described in the complaint suggests a possible violation of the Title IX and Sex Anti-Discrimination, Harassment and Retaliation Policy govst.edu/titleix, the information will be submitted to the Title IX Coordinator for review.
- G. Request for a Delayed Process:** Requests for a delay related to the Student Conduct process must be submitted in writing to the Office of the Dean of Students and will be considered only in extraordinary circumstances.

Notice to the Student

All communication regarding the conduct process will be sent to a student's GovState student email account. Students are responsible for reading and responding to their university email. If a conduct case is referred, the student will be notified of the alleged violations and student conduct procedures. In extenuating circumstances, notices may also be mailed to a student's address as listed in their official records held by the Registrar or hand-delivered to the student on campus.

Interim Measures

Interim measures may be put into place at any time after the initial reporting of alleged misconduct, prior to a conduct hearing, for reasons including, but not limited to:

1. To protect the health, welfare, or safety of a student or the university community;
2. To prevent or address significant disruption to the educational process and/or the normal operations of the university; or
3. To provide legally mandated supportive measures in accordance with Title IX or a court order.

Interim measures will not include termination of a student's status or be a finding of responsibility. A student's failure to abide by any interim measures may be considered a violation of the Student Code of Conduct.

TYPES OF INTERIM MEASURES

Interim measures may include, but are not limited to:

- | | |
|--|---|
| A. Change of University Housing room assignment or removal/ban from University Housing; | E. Alteration of academic schedules; |
| B. Change of dining/parking/transportation arrangements; | F. Withdrawal from/retake of a class without penalty; |
| C. Restrictions on participation in student organizations and student activities; | G. Limited access to university services; |
| D. Change in work schedules/assignments; | H. Restricted access to university buildings/facilities; |
| | I. No contact order; |
| | J. Hold on a student account. |

NOTIFICATION OF INTERIM MEASURES

If interim measures are necessary, the students' affected by the measures will be provided with a written notice outlining the restrictions or changes that have been imposed. The interim measure notices will be sent to both parties and will specify the measures that have been put into place and the reason(s) for the action. Interim measures will vary depending upon the facts of each case.

Summary Suspension

The Office of the Dean of Students may summarily suspend a student whose continued participation in a specific program or activity, or presence on campus, poses an immediate threat to the health or safety of others or significant disruption to normal campus operations. Summary suspensions are to respond to extraordinary situations where, in the judgment of the Dean of Students, the prescribed Student Conduct process is not appropriate or cannot be applied in a timely enough manner.

A summary suspension may include, but is not limited to, the following:

- Restriction from some or all university premises, including University Housing
- Loss of privilege to participate in classes, either in person or electronically/virtually
- Loss of privilege to participate in some or all university-related activities
- Registration hold
- Graduation hold (if student is on the graduation list or scheduled to graduate within the semester of the suspension); and/or
- Notification of suspension to academic program.

NOTIFICATION OF SUMMARY SUSPENSION

The student will be notified of the summary suspension status by official GovState student email, telephone, and/or in person. The notification will include an explanation for the imposition of the summary suspension and outline the restriction(s) imposed on the student during their suspension. After the issuance of the summary suspension notice, the Office of the Dean of Students will inform all appropriate campus administrative units of the imposition of the summary suspension. Failure to abide by the terms of the summary suspension may result in additional disciplinary action. A student who questions the summary suspension may submit a written request for a hearing before the Dean of Students to review the summary suspension.

Conduct Hearings

Student(s) who have allegedly violated the Student Code of Conduct will have the opportunity to participate in a conduct hearing to discuss the alleged violations and respond to the charges. The conduct process is not a criminal or judicial trial/practice. The hearing process is designed to educate students and hold them accountable for their conduct and decision-making.

During the academic year, cases are typically assigned to a hearing office or the Student Conduct Committee (SCC). Exceptions include, but are not limited to:

- Periods when the committee is not in session (e.g., academic break periods, summer term, university break periods, periods at the start of each semester prior to the convening of the committee)
- Cases that required special need for confidentiality (e.g., sexual harassment).

ADMINISTRATIVE CONDUCT HEARING

An administrative conduct hearing is a conversation between a student and an administrative hearing officer for low-level violations / first offenses of university policy that occur outside University Housing and moderately serious / repeat offenses of university and residential policies. Generally, incidents occurring within University Housing will be heard by Director/Assistant Director of University Housing (this includes non-resident students who violate policy within University Housing) and incidents occurring outside university housing will be heard by the Director of Community Standards.

ADMINISTRATIVE CONDUCT HEARING FORMAT

A. *Student attends the hearing:*

1. The student may ask questions about the process;
2. The hearing officer will review the facts of the incident report, as well as any other relevant case information received;
3. The student may respond to the information by providing their perspectives on the incident and alleged policy violations;
4. The student may present information and/or witnesses relevant to the charges;
5. The hearing officer may ask questions of the student and witnesses;
6. The student may accept or deny responsibility for the alleged policy violation(s);
7. The hearing officer will determine whether the respondent is responsible for the alleged policy violation(s) and, if responsible, will consider appropriate sanction(s);
8. At the conclusion of the hearing, Community Standards will inform the students of the hearing officer's decision in writing.

B. *Student does not attend administrative hearing.*

1. If the student chooses not to meet with the hearing officer by the given deadline, the hearing officer may proceed with the determination of responsibility and if responsible, impose any sanction(s) without input from the student.
2. At the hearing officer's discretion, the student may be offered a second opportunity to schedule a hearing if the student has not previously participated in a conduct process and the decision has not been communicated in writing.

STUDENT CONDUCT COMMITTEE

A Student Conduct Committee hearing is a formal conversation between a respondent and a committee of faculty, staff, and students who have been trained to hear serious / repeat offenses of university and residential policies regardless of where the incident occurs. The conduct committee hearing process provides the student with an opportunity to:

- Review the available case information, including the alleged violations
- Share their perspective on what happened, including presenting witnesses and relevant evidence
- Describe the effects the incident has had on the student and others, both negative (harm caused) and positive (lessons learned).

Student Conduct Committee Hearings: Hearing proceedings will follow the format described below. The hearing is not conducted as a civil or criminal proceeding and consequently strict rules of evidence do not apply. At the discretion of the members, changes may be made to the hearing format to accommodate special circumstances. The Committee/Hearing Chair is responsible for asking all relevant questions, making decisions based on the materials and information provided, and imposing sanctions where appropriate. The Hearing Chair/Student Conduct Committee determines the relevance of any information, materials, or testimony, and may refuse to direct questions to the parties/witness and/or refuse to accept information, materials, or testimony it considers immaterial or irrelevant.

The Student Conduct Committee hearing will utilize the following format:

1. **Introduction/Review of Alleged Violations:** The Chair of the Student Conduct Committee will convene the hearing by requesting that all individuals present state their name and role. The Chair will then review the alleged violations of the Standards of Conduct.
2. **Opening Statements:** The complainant and respondent may each make a brief opening statement for the purpose of providing the hearing committee with a short summary of their positions relevant to the complaint and the materials/witnesses to be presented.
3. **Presentation of Evidence:** The complainant and respondent may present to the committee any and all information, materials, and witness testimony to support their position. Community Standards may call any witnesses or investigators to present relevant findings to the hearing committee. Witnesses may only be present at the hearing while providing their testimony.
4. **Questioning of Parties/Witnesses:** After each respective presentation, the hearing committee, complainant, and respondent will have the opportunity to ask questions. The Hearing Chair/Student Conduct Committee may recall any witnesses. Once all information, materials, and testimony have been presented, the hearing committee, complainant and respondent are provided a final opportunity to ask additional questions or provide additional information to the Student Conduct Committee.
5. **Closing Statements:** The complainant and respondent may each make a closing statement. The closing statement should be a short summary of the materials and information presented during the hearing and any relevant information that the student would like to share with the hearing committee.

- 6. Executive Session:** The hearing committee will excuse all participants and enter into executive session during which the committee will assess the information presented as well as the credibility of the parties and witnesses. The hearing committee will decide (based on a simple majority vote): (a) whether or not, by a preponderance of the evidence, the respondent is responsible for the alleged violation(s) of the Student Code of Conduct, and, if so, (b) what sanctions are appropriate. Only after determining responsibility will the committee review and consider any previous sanctions imposed on the respondent. The review of any previous sanctions will include all disciplinary actions taken in any prior conduct proceedings. The deliberations of the executive committee are not recorded.

Rights of Students in the Conduct Process

Students are given due process rights in compliance with the Fourteenth Amendment of the U.S. Constitution. The Fourteenth Amendment requires all public institutions of higher learning to afford students due process prior to taking disciplinary actions, including notifying students of allegations and providing an opportunity for the student to respond to the allegations.

Students charged with violations of the Student Code of Conduct are advised of their due process rights when they meet with the Office of the Dean of Students staff and designees, and throughout the process, they are entitled to the procedural rights listed below. All students should familiarize themselves with the following rights and procedures.

The hearing information and procedures apply to Disciplinary Conferences, Administrative Conduct Hearings, and Student Conduct Committee hearings unless otherwise noted. Please note that processes for sensitive cases such as Title IX / Sexual Harassment, Discrimination, or Retaliation cases differ from the list below, refer to the Title IX and Sex Anti- Discrimination, Harassment and Retaliation Policy (Policy 78), govst.edu/titleix.

- A. Notice of Charges:** The student will be given the opportunity, upon request, to read all written reports to be presented at the hearing regarding the circumstances and allegations of the case. (To protect the rights of others involved, presented documentation may be redacted.)
- B. Respond to Charges:** It is presumed that a student charged with a violation of the Code is not responsible for such violations unless the student accepts responsibility or is found responsible following a hearing. Both the responding student(s) and the complainant(s) will be provided with an opportunity to meet with the hearing officer/committee to share information about the incident. Students have the right to question persons presenting information regarding the alleged incident. Contact between the responding and complainant parties may be limited to necessity.
- C. Choosing Not to Participate:** Students are encouraged but not required to appear at a hearing or participate in the resolution of their charges. In this situation, the Office of the Dean of Students will proceed without the participation of the student.
- D. Hearing Body:** For a Disciplinary Conference and Administrative Conduct Hearing, a hearing officer hears the case and determines the outcome. For a Student Conduct Committee Hearing, a quorum consists of four voting members of the Student Conduct Committee from at least two groups (student, staff, and faculty).
- E. Incidents Involving Multiple Students/Separate Hearing:** When more than one student is involved in the same incident, the Office of the Dean of Students will determine the appropriate approach to resolution, balancing students' privacy rights with the university resources available to provide a timely and fair resolution.
 - 1. Combined Hearings:** If a decision is made to combine the hearings of all the students involved in an incident, all parties (complainants and respondents) will be present for the reading of the charges, opening remarks, complainant's presentation of evidence and witness testimony, and closing statements.
 - 2. Separate Statements:** If a combined hearing occurs, at the time the individual respondent presents their case, the other respondent(s) and their advisor and witnesses may be excused from the hearing unless otherwise agreed upon by the respondent(s) and the committee.
- F. Information about Conduct Process:** The student has the right to information about the conduct process and procedures and to have their questions answered about the process.
- G. Notification of Hearing Outcome:** Within seven (7) working days following the conclusion of the hearing, a written decision will be sent to the respondent and all appropriate parties. Decision notices are sent to GovState student email and including information about charge(s), sanction(s), and appeal processes. If there is no disciplinary action needed, the decision letter will communicate that no action is required from the student.

- H. Participants in Hearing:** All hearings are closed and not open to the public except for the following individuals: hearing officers or members of the Student Conduct Committee, the complainant(s), the respondent(s), advisors, witnesses, Office of the Dean of Students staff, and the Department of Public Safety. For student conduct committee hearings, the respondent may request that the hearing be open to members of the university community and this request must be approved by the committee and the Office of the Dean of Students.
- I. Personal Safety Considerations:** The student will be given reasonable accommodations for concerns related to personal safety, well-being, and/or fears of confrontation of persons involved with the case during the hearing process. In situations where reasonable fear for physical safety and/or retaliation exists, the Conduct Committee Hearing Chair reserves the right to take appropriate and reasonable measures to adjust the hearing format, including having police present and/or using technology to allow parties to participate in a manner that addresses the concerns while allowing the process to move forward.
- J. Privacy of Information:** Student conduct records are maintained in accordance with the GovState Student Records Policy (Policy 12), as well as applicable federal and state laws. All hearings, proceedings, and case information are considered confidential except to those who have a legitimate educational interest in them, or as permitted or required under FERPA, the Clery Act, or any other legal mandate.
- K. Reasonable Accommodation:** Any student with a disability involved in the conduct process has the right to request reasonable accommodations in order to ensure their full and equal participation. Students wishing to request reasonable accommodations should submit requests directly to Access Services for Students with Disabilities.
- L. Record of Hearing:** For a Student Conduct Committee Hearing, Community Standards will maintain a record of the hearing which may be in the form of a written summary of the proceedings and/or audio recording, if applicable.
- M. Remote Participation:** Any party, including the respondent, complainant, or any witness, may request to participate in a hearing remotely by way of telephone, videoconferencing, or other appropriate means provided the identity of the person participating remotely is known to all parties and all other guidelines and procedures described in this handbook are followed. Requests for remote participation will only be considered in extenuating circumstances and must be approved by the Office of the Dean of Students.
- N. Right to an Advisor:** Students have the right to an advisor to provide advice and or support to a student during the conduct process. The role of the advisor will be restricted to advising and supporting the student. Advisors are not permitted to speak on behalf of the student.
1. Students who wish to have an advisor participate must notify Community Standards in writing at least 48 hours in advance of the hearing.
 2. Advisors who do not comply with the above guidelines or otherwise interfere with the hearing process will not be permitted to participate in the hearing.
- O. Right to Submit Witnesses:** Students have the right to submit witnesses who directly observed an incident or have direct or indirect knowledge related to an incident. Witnesses should be able to speak knowledgeably about the incident and be able to provide relevant facts. Reliable witnesses are critical to the integrity and effectiveness of the process.
1. Students who wish to have witnesses participate must notify Community Standards in writing at in advance of the hearing. Witnesses must be pre-approved by Community Standards and will receive an email notification with guidance on serving as a witness.
 2. Witnesses cannot participate solely to speak about an individual's character.
 3. The respondent, the complainant, and/or the Office of the Dean of Students may request relevant witnesses to participate in the process and limit the number of witnesses.
 4. The Office of the Dean of Students may request a written statement from the witness and/or a meeting with the witness prior to the hearing.
 5. Witnesses who do not comply with the above guidelines or otherwise interfere with the hearing process will not be permitted to participate in the hearing.
- P. Standard of Proof:** A preponderance of the evidence, or "more likely than not," standard is the official evidence standard of the Student Code of Conduct. In this context, the respondent will be found to be responsible for the alleged violations if the hearing officer/hearing committee concludes that it is more likely than not that, based on careful review of all information presented, the respondent is responsible for the alleged behavior and these behaviors constitute a violation.

- Q. Statements and Evidence:** The hearing committee/hearing officer will make determinations based on all available information and materials. Failure of the respondent to be present or participate in the proceedings will not be seen as an admission of responsibility. Likewise, failure of the complainant to participate in the proceedings will not be seen as evidence that favors the respondent.
- R. Timeliness of Conduct Process:** The University strives to complete the Student Conduct process, including the time for any hearings or appeal processes, within sixty (60) days. There are, however, many factors that may affect the length of time needed to complete various portions of the resolution process fairly and equitably. Consequently, some matters will be resolved before the designated time frame and some may require additional time.

Outcomes / Sanctions

Sanctions are designed to promote the university's educational mission, safety of the university community, and to deter students from behavior that violates the Standards of Conduct. Some behavior may be so harmful or disruptive to the university community or to the educational process that it may require more severe sanctions. More than one sanction may be imposed in any one case.

The following factors are generally considered when determining sanctions for a particular case:

- The nature of the violation(s)
- Prior findings of responsibility and sanction(s)
- Mitigating circumstances surrounding the violation
- The student's motivation(s) for engaging in the behavior
- Impact of the behavior
- Sanctions which have been imposed in similar cases in the past
- The developmental and educational impact on the student
- The overall impact on the university community

ADMINISTRATIVE SANCTIONS

- A. Warning:** A written warning or official notice that previous conduct was unacceptable and that future misconduct may result in more severe disciplinary action.
- B. Disciplinary Probation:** A specific period during which a student must conduct themselves in a manner consistent with university policy. Future violations of university policy while on disciplinary probation may result in more severe disciplinary action, including separation from the university. Students on probationary status may not be eligible for participation in student activities, intercollegiate athletics, awards, prizes, or scholarships when conduct acceptable to the university is a condition of such participation.
- C. Loss of Privilege:** The withdrawal of a university privilege including but not limited to the use of services, participation in a program, event, or activity for a specified period, or removal from an appointed position of authority.
- D. No Contact Order:** A no-contact order prohibits contact between specific individuals through any means or media including, but not limited to: in-person, phone, voicemail, text message, social media, instant messenger, e-mail, notes, cards, letters, flowers, or other gifts. This includes contact via any third party (family, friends, or acquaintances) on either party's behalf. The no-contact order also requires that the individuals will take reasonable measures to maintain a distance of 30 feet away from one another and will not threaten or retaliate against the other individual.
- E. Restitution:** Requires a student to pay for damages to, or misappropriation of, university property, or the property of visitors to, or members of, the university community. Such restitution may be charged to any student who alone, or through group conducted activities, organizes, or knowingly participates in the events causing the damages or costs. Restitution may be imposed separately or in addition to any other sanction(s).
- F. Loss of Recognized Student Organization/Club Status:** Loss of all privileges identified within the student club/organization protocols, for a specified period.

UNIVERSITY HOUSING SANCTIONS

- A. Loss of Guest Privileges:** Revocation of a resident's ability to host guests or for a non-residential student to be a guest for a defined period of time.
- B. Housing Reassignment:** Reassignment to a new room.
- C. University Housing Probation:** University Housing probation is a specific period during which a student must conduct themselves in a manner consistent with university and housing policy. Failure to comply with the terms of probation or future violations while on probation may result in more severe disciplinary action, including removal from university housing.
- D. University Housing Suspension:** Temporary separation of the student from university housing for a specific period, after which the student is eligible to return. Conditions for return may be specified.

E. University Housing Expulsion: Permanent separation of the student from University Housing.

EDUCATIONAL / DEVELOPMENTAL SANCTIONS

- A. Educational Activities:** Educational activities include programs and assignments designed to increase awareness and education about the impact of misconduct on self and community. This may include, but is not limited to, modules, assigned papers, mediation, community service, workshops, or meetings with appropriate university personnel.
- B. Recommendation for Assessment:** A recommendation may be made for the student to seek assistance with anger/conflict, substance use, or other matters from trained professionals and/or service providers. An assessment is designed to assist students in examining emotions and behaviors such as anger, aggression, elevated interpersonal conflict, or substance use in a judgment-free and confidential environment. An assessment provides a structured opportunity to assess individual behavior and identify potential strategies to manage emotions/conflict or risk. Counseling and Wellness Center staff will report attendance to Community Standards but will keep the assessment content confidential.

ELEVATED SANCTIONS

- A. University Suspension:** Temporary separation of the student from the university for a specific period, after which the student is eligible to return. Conditions for return may be specified. Suspension excludes the student from registration, class attendance, and use of university facilities during the specified period.
- B. University Dismissal:** Permanent separation of the student from the university. Dismissal excludes the student from registration, class attendance, and use of university facilities with no promise (implied or otherwise) that the student may return at a future time. Use of university facilities is prohibited without authorization from the Office of the Dean of Students.

A student who has been dismissed may be readmitted only by the action of the university president. A student who has been dismissed is not eligible for readmission sooner than one year from the date of dismissal. Students must reapply which the student must reapply to be considered for admission. Readmission is not automatic or guaranteed.

Financial Responsibility

A student who is suspended or dismissed from the university and/or from university housing due to misconduct is nonetheless responsible for all financial obligations to the university that they incurred.

Transcript Notations

When a sanction of Disciplinary Suspension is issued due to conduct action, a notation will be placed on the academic transcript for the duration of the suspension period. When a sanction of University Dismissal is imposed, the Dismissal sanction will remain as a permanent notation on the transcript.

PARENT/GUARDIAN NOTIFICATION

Parents, or designated guardians, will receive written notification when a student is found responsible for violating the Student Code of Conduct and/or engaging in the following behaviors:

- Alcohol Policy Violation
- Controlled Substances (Drugs) Policy Violation
- Firearms, Weapons, & Dangerous Substances Policy Violation
- Alcohol/Drug Citation Issued by University Police
- Medical/Intoxication Transport: The student received medical assistance due to incapacitation, suspected incapacitation, and/or self-injury.

This notification is supported by FERPA, which allows colleges and universities who receive federal funding to notify parents/guardians of dependent students when a student has been found responsible for violating university alcohol, drug, or weapons policies.

This notification occurs because of the significant health and safety risks and consequences associated with underage alcohol consumption, drug use, and weapons possession. Governors State University supports the idea that the student, their parents/guardians, and the university are engaged in a partnership in which each partner has the responsibility to promote a healthy and productive educational experience for the student.

SANCTION SUBMISSION

Sanctions may be submitted online at govst.edu/sanctionsubmission. Sanctions will be reviewed and marked complete if the stated guidelines have been met. Sanctions that do not meet the stated guidelines will be returned to the student for revision.

Registration Holds for Overdue Sanctions

A hold may be placed on a student's account when a student has failed to complete a sanction by the deadline. A hold will not be removed until the student has completed their outstanding sanctions. Students who wish to have their hold temporarily removed to register for classes must contact the Office of the Dean of Students.

Student Conduct Appeals

Students have the right to file a written request for an appeal of the findings of responsibility and/or the sanctions. The Office of the Dean of Students will review all appeal requests to determine if the student has demonstrated appropriate grounds for appeal. Appeals based solely on a student's disagreement with the outcome will be denied.

GROUNDS FOR APPEAL

Appeals must be based upon one or more of the following grounds:

1. **Procedural Error:** A procedural error that substantially affected the outcome of the hearing occurred.
2. **New Evidence:** New evidence sufficient to alter a decision and was not available at the time of the original hearing. Information will not be considered "new evidence" if the respondent or complainant did not attend the original hearing or voluntarily withheld information during the original hearing.
3. **Disproportionate Sanction(s):** The sanction(s) imposed are substantially disproportionate to the severity of the violation(s) for which the respondent was found responsible.

APPEAL REQUESTS

Filing an Appeal

A student may file a request for appeal no later than five (5) business days after the decision letter was issued and the respondent has been found responsible for violating the Student Code of Conduct. An appeal must include a one (1) page maximum statement explaining the grounds for the appeal and the desired outcome of the appeal request. Students may submit relevant supporting evidence and documentation. Appeals may be submitted online at govst.edu/conductappeal.

Request for extension of timeline

A student may request in writing (e-mail) a one-time extension to submit an appeal in extenuating circumstances such as a serious illness, injury, or other personal emergencies. Requests for an extension will be reviewed by the Dean of Students or designee. A delay in the student opening/receiving the e-mailed decision letter may not be grounds for requesting an extension or submitting a late appeal request.

Review of Appeal Request

After receiving an appeal request, Community Standards will review all materials submitted and decide whether or not the appeal request contains sufficient merit to grant an appeal hearing. Students will receive a written response to the appeal request within five business days.

1. If the appeal request is granted, Community Standards will notify all parties (i.e., the responding student, the complainant) and will schedule an appeal hearing.
2. If the appeal request is denied, Community Standards will notify the student of the decision along with the rationale for denial.

APPEAL HEARINGS

Appeal hearings will seek to address if a case will need to be reheard, if imposed sanctions need to change, or if the original decision will be upheld. If granted, an appeal hearing will be scheduled within 10 business days of the student's appeal request. The appellate body for an administrative or committee hearing is the Dean of Students or designee. Students who wish to appeal a decision by the Dean of Students must submit a written appeal to the Office of the Vice President of Student Affairs and Enrollment Management, following instructions in the decision letter. The decision of the Vice President is final and binding and there are no further options for appeal.

Student Conduct Records

All official records of non-academic misconduct shall be maintained in the Office of the Dean of Students. Under the Family Educational Rights and Privacy Act (FERPA) of 1974, as amended, a student has the right to inspect and review their education records maintained by the institution. A student may grant any third party (e.g., parent, spouse, and/or sponsor) permission to access their education records or any portion thereof. To request records for personal inspection or third-party release, please use the electronic request forms published online: govst.edu/thecode/.
